

# Garv Jain

## PROFILE

A Second Year Bachelor of Engineering (B.E.) student with a passion for innovation and problem-solving. Equipped with a solid foundation in fundamental engineering principles and a drive for continuous learning, I am committed to leveraging my skills and expertise to contribute meaningfully to engineering projects. With a keen eye for detail and a collaborative mindset, I excel in environments that foster creativity and teamwork. Eager to apply my technical knowledge and enthusiasm for engineering to drive positive change and make a lasting impact in the field.

## EXPERIENCE

- **DIGITAL COMMUNICATOR , RCTSEC ,MUMBAI – 2020-2024**

It is a College committee which is recognized around the country for carrying out various events and ngo related work and my role is to create instagram posts as well as to create website designs. other than that i have to carry two events to empower and teach the Aspiring students related to design feild.

- **SALESMAN INTERN, OMSILVER ,MUMBAI – 2020-2024**

This job has taught me how to deal with clients how negotiations work and how to look the world from different perspectives and find unique solutions to a problem on regular basis . It helped me boost my communication as well as presentation skills

- **ASSISTANT DESIGN HEAD, IETE-TSEC – 2023-2024**

This tenure helped me learn how to lead a team , how chain of command works in a organisation. It helped me learn about how to make things attractive,Meet deadline goals and how to accept feedback.

- **MARKETING INTERN, FUTUREPRENEUR TECH PRIVATE LIMITED – 2023**

It was a marketing internship which helped me get familiar with the corporate culture and as it was a early stage startup i had exposure to various aspects of how a company functions and how to get things done
